

## Looking for HR Employment?

We can help you find the job opportunity and career advancement path you desire.

Whether you are looking for temporary, temp-to-hire or direct-hire openings, we provide:

- Special attention to your career needs, including very detailed inquiry questions to ensure we understand your background, experience and desired opportunity.
- Resume review and career guidance as part of the interview process.
- Specific information on job opportunities of perceived interest based on our conversations with you.
- Exciting opportunities to work with quality companies.

Here's how to get started:

- Send your resume to [careers@resourcefulhr.com](mailto:careers@resourcefulhr.com)
- Indicate the type of opportunity you are seeking when sending your resume – temp, temp to hire or direct.
- If your skill set and qualifications match what we are looking for we will notify you by email to set up an interview to learn more about your career objectives.
- Once we understand your needs we will look for opportunities that are a good fit and keep you informed about possible openings.
- We will serve as your advocate with the hiring manager for the position.

If you have questions about our services please email us.

We can help you find the right job opportunity.
