

***If you are like most business owners,
you don't have time to focus on writing policies.***

Spend less time managing administrative tasks and more time achieving revenue generating objectives with policies tailored to your organization. You'll benefit from avoiding unnecessary legal costs by having policies that are easy to understand and compliant with applicable state law.

You Will Receive:

- A risk assessment of your current compliance with federal and state employment law.
- Effective communication tools that fit your culture so employees are aware of your policies and are clear on their responsibility to uphold them.
- Clearly documented policies that are written in an employee-friendly manner while simultaneously protecting you the employer.
- Tools to ensure employees sign appropriate acknowledgement and receipt of policy.

What We'll Do:

- Analyze immediate issues that are taking up your time and emerging issues that you need to be aware of.
- Help you implement and craft policies and procedures that enhance your desired company culture.
- Define and document policies and offerings that are unique to your business.
- Eliminate poor practices that are inhibiting your team from achieving their goals.
